Hardware shop (the kind that sells everything you might need in the house/garden) like Turner stores in Brockley, a proper bakery (maybe with nice sandwiches and coffee too?), a wool shop (that sold local design and craft items too) - that last one is possibly a bit hopeful for HG but it would be nice... and a second-hand book/furniture shop would be lovely too - maybe a decent fish and chip shop too...

Q6: What would encourage you to shop locally on the Corbett Estate?

Better Quality and Variety

6/5/2015 7:27 PM

The one thing that is very noticeable living on the estate is that we are a long way from everything. There is very little to do locally with everything being a 30 minute walk away. Apart from the churches and on Facebook there is nowhere for people to meet and exchange ideas. Life on the estate is a bit flat, there seems to be no local energy and if there is I am not aware of where it is. I am looking forward to the new playing field café which is somewhere I hope to go and relax. It is very evident the Corbett estate is great for families, therefore I believe family friendly cafes, would be of benefit. I have also seen a few combination of online/pick up shops such as <https://thefoodassembly.com/en> and <http://www.leegreens.org/#!how-it-works/c21r> if these were closer I would use them.

5/28/2015 1:02 PM

More diverse range of shops

5/24/2015 2:25 PM

Better quality fresh food - better than what you can get online.

5/22/2015 6:19 PM

See 2.

5/22/2015 6:16 PM

I think if the environment was improved it would encourage people. Brockley has lovely trees outside their shops.

5/22/2015 6:13 PM

More, or any of the above.

5/22/2015 6:08 PM

A range of useful shops clustered together so that you do not have to walk to multiple places to get what you need.

5/22/2015 6:05 PM

More shops run by families

5/22/2015 6:02 PM

More & better shops

5/22/2015 5:59 PM

Perhaps if I couldn't drive anymore, but even then I might use a cab.

5/22/2015 5:54 PM

If all or some of the local services I have listed above were within walking distance. A traditional barbers & stylish hair salon would be a bonus.

5/22/2015 5:49 PM

- Home delivery service adequately publicised by the local butchers. - Better shop frontage, paving to create a decent hub-like experience + quality aesthetic around all shops, especially Muirkirk Road end.

5/22/2015 5:44 PM

More variety. Competitive prices. Community feel.

5/22/2015 5:31 PM

5/22/2015 5:25 PM

More shops
5/12/2015 6:26 PM

See no. 2 above
5/12/2015 6:23 PM

Better range of shops - particularly fresh fruit and vegetables as opposed to supermarket produce; It is disappointing that a number of shops close over weekends - as the demographic of Hither Green changes I would imagine there would be more interest in shops being open at weekends when families are able to make use of them - I believe local mums head to Blackheath during the week and families at weekends because they can find the services they want there as opposed to here in Hither Green
5/12/2015 2:30 PM

Friendly shop keepers.
5/12/2015 12:09 PM

Nice shops and clean tidy streets
5/9/2015 3:44 PM
Better shops at competitive prices

5/8/2015 11:38 AM

5/8/2015 7:39 AM
More variety of good shops.

5/7/2015 4:45 PM
A better selection of shops such as found in Northcote Road, e.g. clothes shops, food shops, cafes, open air market.
5/7/2015 4:36 PM
Nearer shops. (Torrison Road, Dowanhill Road)
5/7/2015 4:28 PM
A variety of shops as listed above
5/7/2015 1:19 PM
If the shops needed were available! We have a butchers which is amazing and used frequently ! I hate buying my fruit and veg in coop would much rather have a green grocers that sells fresh herbs (the coop doesn't drives me

mad) . If there was a decent cafe with character, good music and vibes I would go for lunch locally and not walk to hither green!

5/7/2015 11:25 AM

Better selection of shops; better maintained shopfronts/roads; less litter/flytipping

5/7/2015 8:48 AM

More variety of shops

5/7/2015 12:01 AM

Higher quality. Most of the local supermarkets are run down although Torridon Convenience and the Co-op are better.

5/6/2015 11:05 PM

Greater specialist and local produce; alternatives to mass market rubbish from Aldi or Tescos to differentiate local from mass commercialism

5/6/2015 10:39 PM

Shops which sell good quality products & and who have the flair to keep them looking fresh & interesting.

5/6/2015 7:26 PM

Bike racks. Loyalty card for local shops.

5/6/2015 7:18 PM

Within walking distance. Comparable pricing to supermarket. Realise unlikely to be cheaper due to overheads & supermarket being able to offer loss leaders, but fishmonger in Bromley is cheaper than supermarkets.

5/6/2015 7:14 PM

As above. I do shop locally where possible using David Oakman & Chris at Leonard's Electrical as my first choice.

5/6/2015 7:05 PM

More variety of shops and cheaper prices

5/6/2015 6:58 PM

Shops? I mean, seriously, the areas we have are very poor (including Tesco and Co-op)

5/6/2015 6:57 PM

Nothing in particular

5/6/2015 6:51 PM

Better quality produce, more variety.

5/6/2015 6:47 PM

If leaflets etc of what's on offer or e-mails.

5/6/2015 6:41 PM

A sense of community - shops/cafes. Pubs? Eateries of any kind (NOT takeaway).

5/6/2015 6:38 PM

A wider variety of shops (NOT chain stores) - local tradespeople.

5/6/2015 6:29 PM

A wider range of shops suitable for the family

5/6/2015 2:04 PM

A better range of shops suitable for family needs.

5/6/2015 1:58 PM

More visually appealing shops with more flair and style (it takes effort and imagination, not necessarily a lot of money). More variety of shops (not another convenience store). If there were clusters of good shops together, which included a place to linger - a cafe, a gallery, a spot for community.

5/6/2015 11:31 AM

More variety of shops, a pleasant place to meet friends/ coffee etc

5/6/2015 10:07 AM

Attractive shops

5/4/2015 9:41 PM

Nicer shops and shops that provide me what I need

5/4/2015 9:17 PM

To be able to buy fresh food daily

5/4/2015 9:07 PM

independent stores ran by locals and a variety of choice

5/4/2015 9:02 PM

Variety of shops offering quality produce at competitive prices.

5/4/2015 5:31 PM

having the above shops instead of supermarkets

5/4/2015 4:40 PM

Loyalty card or residents discount card

5/4/2015 3:26 PM

more variety and ability to park if necessary

5/4/2015 1:24 PM

Improved environment, vegetarian food shop & cafe

5/2/2015 5:51 PM

a post office, bakery, haberdashery and aforementioned.
5/2/2015 4:53 PM

Availability of stock - I use the co-op, butcher and corner shop a lot
5/2/2015 4:36 PM

better produce
5/2/2015 3:52 PM

Good produce
5/2/2015 3:45 PM

The shops really need bike racks so you can park your bike easily and encourage people to get round the area for shopping without cars. Also just higher quality shops, cafes and restaurants. The shop parades also need to be more attractive - we should enforce more standardised look and feel in keeping with the Edwardian style of the area.
5/2/2015 3:28 PM

Do shop locally when I can - better environment - variety of outlets
5/2/2015 9:36 AM

Having the above type shops/amenities in walking distance to where we live - we support our local shops on Ardgowan and Torridon rd but the area needs a face lift and to be brought into line with how the area is developing - to meet the demands of the type of people that live on the Corbett Estate (ie young professionals and families)
5/2/2015 8:49 AM

traditional shops. Being able to park.
5/1/2015 10:11 PM

Availability of community places to go
5/1/2015 10:08 PM

Shops that sold vegetarian food and healthy food in general; if there was a nice cafe I would definitely go there at the weekend; a place to buy bakery goods would be good as well
5/1/2015 9:48 PM

The things that I don't get easily online.
5/1/2015 5:41 PM

Pop up specialist shops
5/1/2015 4:56 PM

I already make extensive use of the Coop on Sangley Road, Euronics and the Post office and dry cleaners on Torridon Road
5/1/2015 4:41 PM

The shops I have pointed out
5/1/2015 4:39 PM

Get rid of the bookies
5/1/2015 3:59 PM

friendly staff, good outside paving and attractive shop fronts and street design (Muirkirk looks miserable as does Sangley and Sandhurst parades, due to lack of interest by chain shop owners), regular daily street cleaning and WASHING of paving (again chain owners can't be bothered by the mess outside they cause)
5/1/2015 3:16 PM

good quality place good for socialising, we will always do our big weekly shopping online.
5/1/2015 2:32 PM

SHOPS THAT MEET REQUIREMENTS, NICE ATMOSPHERE, NICHE AND INDEPENDENT SHOPS.
5/1/2015 11:15 AM

Better shops, less intimidating environment (discourage street drinking), clean up litter, slow traffic down

4/30/2015 10:55 PM

Good range of shops, accessible Parker, competitive prices
4/30/2015 9:35 PM

Reasonable prices rather than trendy artisan prices!
4/30/2015 9:16 PM

variety of specialist shops. Not a mini-market.
4/30/2015 8:55 PM

groups of foodshops clustered together. Personal service
4/30/2015 6:49 PM

More visible shops with a focus on local produce (products are already available within local cafes)
4/30/2015 1:45 PM

Free Parking

4/30/2015 1:12 PM

some of the shops I mentioned above - I much prefer to pay a bit extra for local fresh tasty food rather than supermarket bought produce

4/30/2015 12:56 PM

competitive prices, good choice and range

4/30/2015 12:43 PM

Availability, price, some form of loyalty card scheme

4/30/2015 12:31 PM

Delivery service for o.a.ps, Maps of what shops are available and where. Advertisements for local shops, not just take-aways

4/30/2015 11:20 AM

Comparable prices to other retailers and good quality. Easy walking distance.

4/29/2015 11:51 AM

to get best quality.

4/29/2015 11:30 AM

We only just moved here, so we're still exploring, but a strong sense of community would be encouraging

4/29/2015 8:27 AM

better more accessible shops, with quality goods.

4/28/2015 10:26 PM

green grocers as the on line food is often squashed and poor quality, I also would like to pop out and buy things last minute. Friendly shop keepers, competitive prices, community feel, like supporting local business

4/28/2015 9:34 PM

Variety, supporting local community

4/28/2015 9:33 PM

Nice shops.

4/28/2015 7:53 PM

Cleaner uncluttered 7 to 11 shops of which there are several

4/28/2015 7:02 PM

It needs to be good quality produce at a competitive price. It's nice to shop locally - but can't afford to do that on a regular basis unless the price is competitive - or the quality/offering something unusual or different. David Oakman is a good example - his meat is competitive in price, but quality wise it is a lot nicer than the supermarkets - and more unusual cuts (oxtail etc)

4/28/2015 1:28 PM

better variety of shops

4/28/2015 12:47 PM

amenities within walking distance from home

4/28/2015 12:45 PM

More choice

4/28/2015 12:41 PM

4/22/2015 9:48 AM

variety, quality

4/21/2015 11:13 PM

A range of good quality shops, cafes and restaurants

4/21/2015 10:58 PM

If there were the sorts of shops I've talked about I'd make an effort - a gift shop / flower shop would be no effort, but I'd be keen to keep local fish / bakes going and would but I stead of at the supermarket.

4/21/2015 9:22 PM

more variety and quality food shop, would actively support a corbett pub or local restaurant/cafe

4/21/2015 8:59 PM

shops of interest

4/21/2015 7:45 PM

If it was there
4/21/2015 11:54 AM

Fresh produce and reasonable prices
4/21/2015 11:50 AM

Having good quality shops
4/20/2015 8:10 PM

More abundance of shoppers
4/20/2015 12:41 PM

more variety, good quality grocer and baker
4/18/2015 11:14 AM

high quality items like bread, cheese etc
4/17/2015 11:37 AM

Bakers and florist
4/16/2015 10:58 PM

fresh produce, friendly service
4/16/2015 2:56 PM

better choice, fresher produce, better reliability that what I want will be in stock
4/16/2015 1:45 PM

More choice than a Londis/Nisa, somewhere to sit and eat/drink, an initiative something similar to the "Brixton pound" for local residents/businesses (Corbett Cash??)
4/16/2015 8:57 AM

see above for options.
4/16/2015 8:54 AM

Shops I'd use, more social shops, cafes bars, tidy look, smart presentation. I really really hate run down mismatching frontages. Please get people to stop using those really cheap signs that have no graphical merit at all.
4/16/2015 8:01 AM

Better provision of high quality retail and food outlets
4/16/2015 7:44 AM

More choice
4/15/2015 9:31 PM

More variety of shops
4/15/2015 4:13 PM

more appealing outside space / environment and more variety of services. Plus extended opening hours beyond daytime on weekdays
4/15/2015 3:40 PM

decent shops with a higher end product. eg, the butcher on muirkirk doesn't stock organic meat
4/15/2015 3:27 PM

Nice independent shops
4/15/2015 3:24 PM

shops that offer what I need - as stated above: bakery, fishmonger, deli

4/15/2015 3:08 PM
a bigger, wider variety of local produce.

Q7: What other amenities would you like to see, if they could be made available? (For example: late night opening cafes, licensed premises, extended library hours, etc.?)

Restaurant, gastro pub, cafe, workshops (eg knitting, woodwork, Art studio), Boris bikes. cameras to stop fly tipping.

5/28/2015 1:02 PM

Pub, cafe's with evening opening

5/24/2015 2:25 PM

Really good ethnic restaurants for reasonably priced evening meal, e.g. the much-missed Biravennas (e.g. South Indian/Vietnamese/Thai)

5/22/2015 6:19 PM

A nice dining pub would be nice - an all-day affair. NO TV screens though.

5/22/2015 6:16 PM

I love my area, but feel there isn't much happening in terms of community.

5/22/2015 6:13 PM

5/17/2015 12:26 PM

Free parking bays (e.g. 30mins) would encourage shoppers; more trees; community kitchen/cafe

5/16/2015 9:32 PM

I'm not in favour of late night establishments, especially, licensed premises. Our streets are already littered with discarded cans & bottles as well as takeaway containers. h

5/7/2015 1:19 PM
All we need is one decent cafe! It's not just about the coffee and food it needs to feel welcoming and enticing or it just wouldn't be used ! Good music aesthetically pleasing stylish etc etc ! The cafe of good hope in hither green has occasional events in the evenings where it may open as a restaurant for a night or have a band playing or be hired for a party ! That would work well !

4/30/2015 12:56 PM
all of the above eg late opening cafes/licensed. Would be good to see local areas used socially rather than having to go into Catford for CCC, Hither Green Station, or further afield. Something for young adults/teenagers would be good too but not sure if a picture-house/club is realistic.

I think late night premises/license would help.
4/16/2015 8:57 AM
restaurants
4/16/2015 8:54 AM
As mentioned, some small bars, or restaurants. Look at Luciano's in Lee, stuff like that would really lift shopping areas and make the zones use more of the trading hours. Springbank has no life after 5 which is odd being opposite a very busy railway exit. Surely a parade like that in Lee with a bakery or decent cafe would work so well. I am stunned that there is nothing there of much use to the thousands of 'working people' who walk past daily!
4/16/2015 8:01 AM
Licensed premises, including restaurants and bars, in the right locations. I would also love a Waitrose
4/16/2015 7:44 AM

Late night cafe with licensing, small Italian restaurant
4/7/2015 1:25 PM
Nice cafes and local friendly bars/pubs (just one within walking distance would be nice...). A cinema in Catford or HG would be amazing but most likely a hope too far..
4/6/2015 6:40 PM

Q8: Please suggest some alternative ways that vacant shops could be used in the daytime and/or evenings.

Community Spaces

6/5/2015 7:27 PM

Something like the see3 portas pilate scheme. People donate a lot of free furniture on the estate, this could be upcycled in fun workshops and sold in a shop with proceeds going to the estate. Skills workshops (eg home maintenance, knitting etc).

5/28/2015 1:02 PM

Pop up restaurants

5/24/2015 2:25 PM

5/22/2015 6:02 PM

As I see it, there is not much future to more than already exists in Torridon/Ardgowan.

5/22/2015 5:54 PM

Pop up shops to test out business ideas.

5/22/2015 5:49 PM

Pop up shops are on the increase. This could be an exciting way of utilising unused spaces. -> Cafes -> craft shops, etc

5/22/2015 5:44 PM

See No. 2 Answer.

5/22/2015 5:31 PM

if the space permits they could be used for exercise groups or film screenings

5/20/2015 1:41 PM

We have to accept that there are too many retail units on the Corbett estate, and that they will never all be occupied. The key is a proper long term strategy involving the identification of a reduced number of smaller shopping nodes, and a thought out and properly managed process of transitioning to residential which takes into account refuse bins among other issues.

5/19/2015 2:57 PM

pop shops/ cafe etc

5/18/2015 1:15 PM

 Pop-up shops have been successful in other villages - encouraging small start-ups such as coffee shops, bakers etc could use vacant premises on a short-term basis. The pop-up Vietnamese restaurant always seems popular at Cafe of Good Hope and could be replicated in other empty premises. A vacant shop could become an 'indoor market' for local craft producers on certain weekends.

 Pop up shops?
 5/12/2015 11:32 AM
 I have an idea that is a joint funded initiative that promotes young and exciting talented people to bring their offers to a new audience. Step 1: The council, local funding groups and maybe a funding circle acquires an vacant shop. Step 2. refit in a original style for with kitchen & restaurant (tables / chair) setting Step 3. Promote to new, up& coming pop ups (look at Model market). Step 4. every month we have a new pop up. Step 5. rent is cheaper for the pop up businesses as joint funded and there is a revenue stream brought in by local community and beyond. This also brings variance of choice to the community. Finally I like the name of The Corbett Pop Up

There isn't really that much they could realistically be used for. Inevitably what will happen is that there will be a coffee shop and then a deli who will be filled with people who shop there because The Guardian tells them too. Society has changed and the only way to fill these shops is with the usual bland things that everybody gets with gentrification. I'm not against it but it's the same as everywhere. I doubt you'll get many people looking for a tool shop to open- unless it sources its produce locally.

5/1/2015 5:41 PM

Community venues, for young peoples activities, fitness session yoga, toddler group

5/1/2015 4:56 PM
